

Literacy

Choose your favourite book can you find any props around your house to help make it more interactive and help you retell the story.

Hello

Hello Secondary 😊

Numeracy

Take the front of your favourite cereal packet and cut into 2,4,6 or 8 or even more whatever is manageable for you to complete so can you put back together again like a jigsaw.

2D shape hunt can you find any items in your house which are a square, circle, triangle

A challenge would be to find 3D items likes sphere, cube and cylinder

St Crispin's Secondary – Home Learning Week beginning Monday 11th May 2020

Art

Spring is a great time to use out natural resources like leaves and flowers

You need two pieces of paper and put a leave of flower in-between it should bleed on the paper its natural colour

You can also do rubbing by putting a piece of paper on to of tree bark or leaf and using a crayon or pencil draw over it

Challenge

Make a healthy snack could be a fruit kebab or make a picture on your plate.

Expressive Arts

Music at school we listen to all sorts of music from pop, rock, classical and Disney.

Health and Wellbeing

We have 3 levels of challenge this week based on the Captain Tom Moore challenge

1. He walked 100 laps of his garden can you walk 100 steps around you house, garden or on a walk.
2. Walk 1450 steps a day this is roughly 1km
3. Walk 26,771 steps a week which is roughly 16km

As the secondary school we thought we could walk, scoot or cycle 500km collectively inspired by the proclaimers 500miles
