

Literacy

Learn about your senses with this fun song

https://www.youtube.com/watch?v=70YB_W4NT_o

Can you find more stories or songs about the senses?

Hello

Hello St Crispin's Primary Classes ☺

Every week we are going to send out a home learning sheet with some suggested ideas and activities for the week based around a theme.

St Crispin's Primary Classes Home Learning Week beginning Monday 1st of June 2020

Theme: The Five Senses

Numeracy

Make collections of things in the house or outside. Find things that are the same colour or shape, or things that feel rough, smooth, sticky etc, or maybe things that smell good like flowers or fruit. Then show off your collections!

yellow flowers.

shiny metal

soft cushions

Science

Sprinkle some salt and sugar on two separate dishes, or black card.

Look at the white granules of each.

Feel the texture of each then put some on your tongue and Taste the difference!

Challenge

Find some items in your home that make a sound like jangling keys, squeaky toy, a little drum, or anything else you can find and put them into a pillowcase.

Close your eyes while someone brings out each item and listen to the sound. Can you guess what they are?

Expressive Arts

Add some smells to your painting! Add orange or lemon juice, mint or lavender.

Or make up your own - try cinnamon or ginger to spice things up. Or

Health and Wellbeing

Explore your face in a mirror. Look in a mirror and see your eyes - for seeing, your ears - for hearing, your nose - for smelling, your tongue - for tasting, and bring up your fingers - for touching!

Look in a full-length mirror and watch yourself wave your arms, wiggle your fingers, kick your

vanilla flavouring for a sweet sensation.

feet, jump up and down, shake your head and dance!
