

# St Crispin's School Handbook

2025 – 2026

# A Foreword from the Executive Director of Education, and Children's Services

---

Session 2025 - 2026

Dear Parents/Carers,

This brochure contains a range of information about your child's school which will be of interest to you and your child. It offers an insight into the life and ethos of the school and also offers advice and assistance which you may find helpful in supporting and getting involved in your child's education.

We are committed to working closely with parents and carers as equal partners in your child's education, in the life of your child's school and in city-wide developments in education.

Parental involvement in the decision-making process and in performance monitoring are an integral part of school life. We look forward to developing that partnership with your support.

Throughout this handbook the term 'parent' has the meaning attributed in the Standards in Scotland's Schools Act 2000 and the Scottish Schools (Parental Involvement) Act 2006. This includes grandparents, carer or anyone else who has parental responsibility for the child.

I am pleased to introduce this brochure for session 2025 - 26 and hope that it will provide you with the information you need concerning your child's school.

If you have any queries regarding the contents of the brochure, please contact the Head Teacher of your child's school in the first instance who will be happy to offer any clarification you may need.

Amanda Hatton

Executive Director of Children, Education & Justice Services

## Children and Families Vision

### Education, and Children's Services Vision

Our vision is for all children and young people in Edinburgh to enjoy their childhood and fulfil their potential.

We believe that children and young people do best when:

- they are able to live safely and happily within their own families with the right kind of support as needed
- they attend first class, inclusive schools and early years settings which meet their needs

We will do all we can to strengthen support for families, schools and communities to meet their children's needs.

Our mission is to place children, young people and families at the heart of our service and provide support when it is needed throughout childhood and the transition to adulthood.

***In Edinburgh children and young people are at the heart of our vision for the future***

As Service Director, I am delighted to welcome you to our Edinburgh School Community. We want all our schools to provide vibrant, inclusive learning environments where our children and young people thrive; academically, socially and emotionally.

Our Vision for Education is “Edinburgh Learns for Life” and is designed to create a fairer, greener, healthier future for our young people and their families. Through the various aspects of strategy attached to this Vision, we are relentless in our collective ambition to transform lives by providing learning opportunities where our children and young people can find their passion in learning. Central to this is the delivery of high-quality teaching and learning experiences fostering creativity and nurturing individual talents. I believe strongly that this will enable them to live successful and happy lives now, and in the future.

As an inclusive community we work with parents, carers and, where appropriate, partner agencies to support all children and young people. By working together, we help children and young people to develop understanding about building positive relationships, respect, teamwork and fairness. We do this by providing engaging and relevant learning experiences, delivered by our staff who get the training and resources they need, and by working with the whole community to accept and care for one another. This isn’t always easy, but we believe it is essential so that our children and young people learn to understand and respect differences, can work together and can handle setbacks and difficult situations throughout their lives.

When children and young people experience adverse events, or as a response to their additional support need, they often let us know by reacting in different ways. This can sometimes present challenges for those around them. By working together, and by understanding the cause and working out solutions, we can find a way to solve or deal with these challenges. We will work with a child, young person, and their family to work out the best way forward. This may involve making adaptations, providing additional support or, in exceptional circumstances, identifying a change of learning environment.

We recognise that we all experience difficult times, and that everyone deserves the best possible care and support. In Edinburgh, we support children and young people to learn in different ways according to their needs. Children and young people learn differently with some requiring more support than others. This need for support arises for a variety of reasons including learning difficulties, challenges with emotional regulation and social communication issues. We must meet the needs of all our children and young people in a fair, compassionate, and proportionate way. We are fully committed to listening to any parent, carer, child, young person or member of staff to work together to resolve any challenges which may arise to enable all to reach their full potential.

**Jackie Reid**

**Service Director and Chief Education Officer**

## Welcome from the Head Teacher

Dear Parents and Carers,

Welcome to the St Crispin's School Handbook for session 2025/26 - we are delighted to share information about our school with you.

This handbook offers an introduction to our school and a general overview of the education your child will be getting at school.

To make our handbook easy to use we have divided the information into five different sections: -

- **Section One**            **Practical Information about the School**
- **Section Two**           **Parental Involvement in the School**
- **Section Three**        **School Curriculum**
- **Section Four**         **Support for Pupils**
- **Section Five**         **School Improvement**

If you have any questions or would like any further information on any aspect of this handbook or the education of your child, please do not hesitate to contact the school.

David Fox  
Headteacher

## Section One – Practical Information about the School

This section deals with the practical aspects of your child's attendance at our school. It provides details on such things as:

### Communicating with the School

This section provides you with some background information on our school. It tells you how our school day and school year are made up and how to contact the school if, for example, your child is ill.

<b>All resume</b>		<b>Tuesday</b>	<b>19 May</b>	<b>2026</b>
Term ends		Friday	26 June	2026

\* Five In-Service days for all schools.

## Registration and enrolment

Placement in our school occurs as a result of an application to the multi-agency Education Placement Group (EPG). If a place in our school is granted, the child's family will receive a letter from City of Edinburgh Council offering them a place. We support transition and enrolment in our school by linking with the child's family, current school and by attending a transition child planning meeting where possible.

## Attendance and absence

It is the responsibility of parents of a child of school age to make sure that their child is educated.

Parents must inform the school if the child is absent providing the reason for this and they should respond promptly to communication from the school regarding attendance.

Absence from school is recorded as

- authorised, that is approved by the Children, Education and Justice Services department, or as
- unauthorised, that is unexplained by the parent (truancy).

Please let the school know ahead of time, if it is a planned absence (e.g. hospital appointment) or contact the school by 9.30 a.m. on the day of your child's unplanned absence (e.g. sickness bug).

**You should update the school on each day of your child's absence.** If there is no explanation from a child's parents, the absence will be regarded as unauthorised.

**Please make every effort to avoid family holidays during term time as this will disrupt your child's education and reduces learning time.**

Please discuss your plans with your child's Head Teacher before booking the holiday. If they cannot give permission before the holiday, it will be recorded as unauthorised absence.

Schools can authorise absence when they are satisfied that there is a legitimate reason for the request. Head Teachers can approve absences **up to** two school weeks (10 days) from school in certain situations. Any requests for extended absence over two school weeks (10 days) will be referred to the Education Wellbeing Service Team Leader, who will decide if it will be recorded as authorised or unauthorised leave.

You must complete an "Absence Request in Exceptional Circumstances form" and send this to the Head Teacher to request this absence.

A holiday may be authorised if you can prove that work commitments make a family holiday impossible during school holiday times. Your employer will need to provide

evidence of your work commitments. Absence approved by the Head Teacher on this basis is regarded as authorised absence.

Parents may request that their children be permitted to be absent from school to celebrate recognised religious events. Absence approved on this basis is regarded as authorised absence.

Extended leave can also be granted on request for a cultural or heritage trip, or to return to country of origin, e.g. to care for relative, bereavement, family wedding.

Parents should work in partnership with the school to promote and support positive relationships to maximise their child's attendance. A supportive approach is taken to unexplained absence. However, the Children, Education and Justice Services department has legal powers to write to, interview parents, or refer pupils to the Reporter to the Children's Panel, if necessary.

### **St Crispin's Out of School Care Association**

We have an after-school club run by a parent-led association. The club runs from the end of the school day until 5.30pm each day except Friday when it finishes at 5pm. The Club offers lots of play and social activities in the school.

Please contact the **Manager St Crispin's Out of School Care Association** for further information on **07837212334**

### **School Uniform**

Parents are asked to co-operate with the school in encouraging the wearing of the school uniform.

The St Crispin's School uniform consists of a white or navy-blue polo shirt and a navy-blue sweatshirt. Following Scottish Government Guidance, the wearing of uniform with school logos/embroidery is no longer encouraged. You can purchase unbranded items from any uniform retailer or supermarket.

Wearing school uniform contributes to a positive school ethos and helps avoid discrimination and reduces peer pressure to wear expensive designer clothing. A school's reputation can also be enhanced in the local community by the wearing of school uniform and school security will be improved as it will be easier to identify intruders.

Please ensure that **all items of clothing are clearly labelled** as clothing can be easily lost.

Please help us by ensuring that pupils do not bring valuable or expensive items of clothing to school.

We provide waterproof clothing for outdoor activities and aprons are provided for art and food related activities. It is useful if you could send a pair of wellies for use in wet weather.

If you have any queries regarding the school's dress code, please contact the school office.

## **School Meals**

Menus offer healthy and tasty meal options while reflecting the Scottish Governments food and drink legal requirements in both primary and secondary settings. Our menus are written to balance pupil choice with the most stringent of school food standards in the UK.

All our menus are nutritionally analysed and new dishes trialled by pupils prior to menu launch

- All our meat is either Quality Meat Scotland or Red Tractor Assured
- All our dairy comes from Scottish Farms
- All eggs used are Free Range
- All fish is MSC certified
- We believe in sourcing food with provenance and aim to increase our spend with Scottish suppliers every year

The catering service supplies meals for pupils by following the special diet policy – more information on menus/ special diets and prices can be found here;

<https://www.edinburgh.gov.uk/food-clothing/lunch-menus-schools>

Free school lunches are provided at St Crispin's where eating skills and the midday meal are part of the educational programme. A choice of two cooked meals or a baked potato option is available from Monday to Thursday, and a packed lunch is available on Fridays. The packed lunch on Friday is eaten in school. Free Milk is supplied to those who like it. As a 'Health Promoting School', all of our pupils are able to opt into our healthy snack time at a cost of £2.00 per week. Special diets can be catered for including non-dairy and gluten free.

## **School Grants**

Families on low income can get school grants to help with the cost of lunches and school clothing.

All children in St Crispin's receive free school meals, regardless of your income or benefit status. However, if you meet any of the following conditions you will be eligible to receive

- payment for lunches during school holidays
- a school clothing grant payment of £125 for each primary child and £157 for each secondary child, paid once a year into your bank account

You must receive one of the following benefits:

- Universal Credit (where your monthly earned income is not more than £796)
- Income Support
- Income-based Job Seeker's Allowance
- Income-based Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- Child Tax Credit, but not Working Tax Credit, and your income is less than £19,995
- Both Child Tax Credit and Working Tax Credit and an income of up to £9,552

Please note income thresholds are subject to change in April 2025.

\* From February 2025 children in P6 and P7 will be eligible to receive free school meals for families in receipt of the Scottish Child Payment.

Your child might still get school grants if you're experiencing financial hardship. This could be because:

- your immigration status means you cannot get help from the government
- you're still waiting on your first Universal Credit notice

School grants are valid for **one school year**. The entitlement ends if your child leaves school before the end of the school year.

**Information on school grants and how to apply is available on the website:**

[www.edinburgh.gov.uk/schoolgrants](http://www.edinburgh.gov.uk/schoolgrants)

## **Travel to and from School**

Transport for the journey between a child's usual home and school is normally provided free of charge to all pupils attending St Crispin's School. Any changes in transport arrangements need to be notified to the school and the transport provider with as much warning as possible. There is a passenger assistant on each bus or taxi who will support your child during their journey.

If at any time, there is no one to meet a child from school transport the driver and escort will take him/her to the nearest Social Work Centre where efforts to contact parents/carers will be continued.

Parents are requested, when dropping off/collecting children from school that they do not park in any location which causes an obstruction or impedes school transport.

## **School Security**

The safety and security of pupils and staff when attending or working in a school is very important to us. Schools use a number of security measures including visitors' books, badges and escorts, while visitors are within the school building.

Everybody calling at a school for any reason will be asked to report to the school office. The school staff then can make the necessary arrangements for the visit. We would respectfully ask that parents do not attempt to enter schools through another entrance, unless supervised by a member of staff.

If you wish to speak to a member of staff then please come to the school office where we shall be happy to arrange this for you.

## **Wet Weather Arrangements**

In wet weather, pupils will remain in the school building during break times.

## **Unexpected Closures**

In the event of an emergency, such as a power cut or severe weather, that prevents schools from opening in the morning or results in an early closure a range of communications channels are used to let parents know.

Groupcall is used by the school to send emails and texts to all parents to provide any emergency information.

In addition, announcements will be made on local radio stations and via the Council's corporate Twitter account [www.twitter.com/Edinburgh\\_CC](https://www.twitter.com/Edinburgh_CC) and Facebook page [www.facebook.com/edinburghcouncil](https://www.facebook.com/edinburghcouncil).

If many schools are affected, or the situation is likely to be prolonged, then the Council's website <https://www.edinburgh.gov.uk/schoolclosures> will also be used.

## **Complaints, Comments and Suggestions Procedure**

We all hope that you will be completely satisfied about your child's education and we encourage feedback on our services from parents and pupils. We are, therefore, interested in feedback of all kinds, whether it be compliments, suggestions or complaints.

If you want to register a comment of any type about our school you can do this by writing, e-mailing, telephoning or making an appointment to see someone. All feedback is welcome and keeps us in touch.

If, in particular, you have a complaint about the school, please let us know. It is better that these things are shared openly and resolved fairly, rather than being

allowed to damage the relationship between the family and the school. There will be no negative consequences arising from making a complaint and we will deal with the issue as confidentially as possible.

There are some things which you should take note of in relation to making a complaint:

- Please make any complaints initially to the Head Teacher. This makes sure that the school knows what is going on and has an opportunity to respond and resolve the issue.
- We will try to respond as quickly as possible, but often issues are complex and we need time to investigate.
- If you are dissatisfied with the service or/and with our response then you will have the right to take the matter further and contact Advice and Complaints Service (Schools and Lifelong Learning) email: [cf.complaints@edinburgh.gov.uk](mailto:cf.complaints@edinburgh.gov.uk) or by telephone: 0131 469 3233.

Further information can be found here - <https://www.edinburgh.gov.uk/contact-us/comments-complaints/3>

If you remain dissatisfied after the further investigation and reply you can take the matter up with the Scottish Public Services Ombudsman, our reply will include the contact details

## **Health and Safety**

Within the general policy laid down by The City of Edinburgh Council, the Children, Education and Justice Services Department has prepared and has continuing development of, safety policy statements for all areas of its responsibility and accordingly manages health and safety and welfare in a way that complies with health and safety statutory and regulatory requirements, and all relevant approved codes of practice and guidance.

School staff are fully instructed in their responsibilities in this respect, and safety regulations apply to all aspects of school life, both on and off the premises.

It is expected that pupils will behave responsibly and comply with all safety requirements.

The support of parents/carers in promoting good practice in health and safety matters is of great importance to the school.

## **Information about how we manage pupil data in schools/ELC settings**

St Crispin's School has a legal responsibility to deliver an effective educational programme to its pupils. In order to do this, we need to collect personal data about our pupils/children and their families so that we can help them learn and keep them safe. The type of personal data we will collect include:

- **Data about our pupils/children and their families**

This will include the name, address and contact details of the pupil/child and relevant family members. It will also include information about relevant medical conditions, any additional supports which are needed, and their family situation. We need this information to ensure we know our pupils/children and their families, and to ensure we are able to educate them appropriately and keep them safe.

We will also collect personal data relating to personal or protected characteristics, such as ethnic group to enable statistics to be reported. We need this information so the Council can ensure it is delivering education appropriately to all its citizens.

- **Data about pupils/children at school/within ELC setting**

This will include data about progress, assessments, and exam results. It will also include records of attendance, absence, and any exclusions. We need this information to understand how our pupils/children are progressing, and to assess how we can help them to achieve their best.

- **Data about when and where they go after they leave us.**

This will include information about their next setting/school, career paths or intended destinations. We need this information to ensure we support our pupils/children in all their transitions and do all that we can to help their future be a success.

There will be times where we also receive information about them from other organisations, such as a pupils' previous school, the previous local authority where that school or ELC setting was based, NHS Lothian, Police Scotland, Social work, Additional Support Services, and sometimes other organisations or groups connected to a pupil's education. We use this data similarly to the above: to support our pupils' learning, monitor and report on their progress, provide appropriate pastoral care; and assess the quality of our services.

When we collect and use personal data within school/ELC setting, and for the reasons detailed above, we will normally be acting in accordance with our public task. Occasionally we are also required to process personal data because the law requires us to do so, or because it is necessary to protect someone's life.

We will also take photographs in school/ELC setting and display them on our walls, and in newsletters and other communications. We do this in order to celebrate and share what we have done, including individual achievements and successes. We consider this use of images to be part of our public task as it helps us build an effective community which supports learning. We will not, however, publish these photographs on social media or in newspapers without permission. Consent for this use will be sought when a pupil/child joins St Crispin's and will be kept on record while they are with us. Consent can be withdrawn at any time, please just let us know.

Sometimes we need to share pupil information with other organisations. We are required, by law, to pass certain information about our pupils to the Scottish

Government and the Council. This data is for statistical purposes and will normally be anonymised. It is normally required to enable the Council, and the Government, to understand how education is being delivered and to help them plan for future provision. Further information about what the Scottish Government does with statistical data it receives is provided below.

If a pupil/child moves schools/ELC settings, we have a legal obligation to pass on information to their new school/education authority about their education at St Crispin's School.

When we record and use personal data, we will only collect and use what we need. We will keep it securely, and it will only be accessed by those that need to. We will not keep personal data for longer than is necessary and follow the Council's Record Retention Schedule and archival procedures when records are identified to be of historical value and require to be retained in the Edinburgh City Archives.

For more information on how the Council uses personal data, and to know more about your information rights including who to contact if you have a concern, see the [City Of Edinburgh's Privacy Notice](#).

- **Sharing personal data to support Wellbeing.**

In addition to the above, St Crispin's School has a legal duty to promote, support and safeguard the wellbeing of children in our care.

Wellbeing concerns can cover a range of issues depending on the needs of the child. Staff are trained to identify when children and families can be supported and records are kept when it is thought that a child could benefit from help available in the school/ELC setting, community or another professional. You can expect that we will tell you if we are concerned about your child's wellbeing and talk to you about what supports might help in the circumstances. Supports are optional and you will not be required to take them up.

If it would be helpful to share information with someone else, we will discuss this with you and seek your consent before we share it so that you know what is happening and why. The only time we will not seek consent to share information with another organisation is if we believe that a child may be at risk of harm. In these situations, we have a duty to protect children, which means we do not need consent. On these occasions, we will normally tell you that information is being shared, with whom, and why – unless we believe that doing so may put the child at risk of harm.

We will not give information about our pupils to anyone without your consent unless the law and our policies allow us to do so.

- **Sharing educational data with the Scottish Government**

The following information has been provided by the Scottish Government – Education and Training Division to let you know why they collect statistical information from school and what they do with it:

Education authorities and the Scottish Government collected data about pupils on paper forms for many years. We now work together with schools to transfer data electronically through the ScotXed programme. Thus the Scottish Government has two functions: acting as a 'hub' for supporting data exchange within the education system in Scotland and the analysis of data for statistical purposes within the Scottish Government itself.

- **What pupil data is collected and transferred?**

Data on each pupil is collected by schools, local authorities and the Scottish Government.

The data collected and transferred covers areas such as date of birth, Scottish Candidate Number (SCN), postcode, registration for free-school meals, whether a pupil is looked after by his/her local authority, additional support needs including disability and English as an Additional Language (EAL), and attendance, absence and exclusions from school.

The SCN acts as the unique pupil identifier. Pupil names and addresses are not passed to the Scottish Government. Your postcode is the only part of your address that is transferred for statistical purposes, and postcodes are grouped to identify 'localities' rather than specific addresses. Data is held securely and no information on individual pupils can or would be published by the Scottish Government.

Providing national identity and ethnic background data is entirely voluntary. You can choose the 'not disclosed' option if you do not want to provide this data. However, we hope that the explanations contained in this message and on the ScotXed website will help you understand the importance of providing the data.

- **Why do we need your data?**

In order to make the best decisions about how to improve our education service, the Scottish Government, education authorities and other partners such as the Scottish Qualifications Authority and Skills Development Scotland need accurate, up-to-date data about our pupils. We are keen to help all our pupils do well in all aspects of school life and achieve better examination results. Accurate and up-to-date data allows us to:

- plan and deliver better policies for the benefit of all pupils
  - plan and deliver better policies for the benefit of specific groups of pupils
  - better understand some of the factors which influence pupil attainment and achievement
  - share good practice
  - target resources better.
- **Your data protection rights.**

The collection, transfer, processing and sharing of ScotXed data is done in accordance with the Data Protection Act (2018). We also comply with the National

Statistics Code of Practice requirements and other legislation related to safeguarding the confidentiality of data. The Data Protection Act gives you the right to know how we will use your data. This message can give only a brief description of how we use data. Fuller details of the use of pupil data can be found on the ScotXed website ([www.scotxed.net](http://www.scotxed.net)).

The Scottish Government works with a range of partners including Education Scotland and the SQA. On occasion, we will make individual data available to partners and also academic institutions to carry out research and statistical analysis. In addition, we will provide our partners with information they need in order to fulfil their official responsibilities. Any sharing of data will be done under the strict control of the Scottish Government, which will ensure that no individual level data will be made public as a result of the data sharing and that these data will not be used to take any actions in respect of an individual. Decisions on the sharing of data will be taken in consultation with colleagues within and outwith the Scottish Government.

- **Concerns**

If you have any concerns about the ScotXed data collections you can email the Senior Statistician, [scotxed@scotland.gsi.gov.uk](mailto:scotxed@scotland.gsi.gov.uk) or write to The ScotXed Support Office, Area 1B, Victoria Quay, Leith, EH6 6QQ. Alternative versions of this page are available, on request from the ScotXed Support Office, in other languages, audio tape, braille and large print.

## **School Nursing Team**

The School Nursing team is made up of the

- **School Nurse** (Specialist Qualified 3rd part Nursing and Midwifery Council (NMC) registrant – now masters level 11 post graduate degree)
- **Community Staff Nurses** (Registered Nurse on Part 1 of NMC – undergraduate degree)
- **Community Health Assistants** (not a nurse, may have SVQ qualifications in care related field)

## **Services provided:**

### **Universal Services for All School Age Children:**

Child Health Surveillance Programme

- P1 eye tests by Health Assistant - (only for those who did not receive this preschool in nursery)
- Growth Measurements by Health Assistant– currently at Primary 1 and Parent health Questionnaire (this may change in the future dependant on Scottish Government obesity strategy and the Health Visitor assessment at 4-5 years preschool)
- Primary 7 health questionnaire - growth measurement may be added in the future linked to Scottish Government obesity prevention work

- Drop in Services - a drop in health zone for High School Pupils (either in school or community facility) who are seeking advice or support on sexual health and health related issues

### **Education of Staff and Pupils**

- Staff training – CPD in-service days on health actions plans, anaphylaxis etc – will be usually be delivered by the staff nurse
- Healthcare Plans for pupils - education staff will be supported by staff nurses on the planning and education

### **Healthcare Needs of Children with Moderate to Complex Physical Nursing Needs:**

- For children in Complex Needs Schools, nursing care needs will be delivered by the nursing team who are based in these designated schools

### **School Nurse Services for Children/Young People with Increased Needs:**

10 key areas specialist school nurses will focus on:

- Emotional Health and Wellbeing
- Substance Misuse
- Child Protection
- Domestic Abuse
- Looked After Children
- Homelessness
- Youth Justice
- Young Carers
- Sexual Health
- Transitions

### **How to Refer**

Children can be referred to the School Nurse by their school or their GP or other health care professional. Children and young people can also self-refer. They can do this by discussing this at drop ins or asking their teacher/ guidance teacher to refer them. Parents can refer by discussing with their GP or child's teacher/ guidance teacher.

### **Further information**

Our NHS Lothian School Nursing Service web pages:

<https://services.nhslothian.scot/SchoolNursing>

### **Who Does What**

- **GP** – all regular family health care
- **CAMHS** – Child and Adolescent Mental Health – Specialist service - Mental Health Specialists

- **Hospital Paediatric** – medical/surgical and other specialist services
- **Community Paediatrician** – doctors in community child health

Head lice are spread through head-to-head contact at home, while playing or in school.

Regular wet combing of your child's hair using a head lice detection comb is the best way to catch this possible problem at an early stage.

The only way to be sure that your child has head lice is to find a live louse. If you find live lice, get the correct lotion from your doctor, health visitor or pharmacist. Shampoos and other treatments are not effective.

One treatment is two applications of the treatment lotion, seven days apart. If this is not followed, then re-infection is likely.

Advise family members and close friends that your child has head lice and that they should check their own hair. Only treat if live lice are found. Don't be shy about advising others of this possible problem because you would likely tell family and friends about other infections which might affect them.

Regular wet combing of your child's hair with the head lice detector comb is the best protection as it allows you to detect the condition and treat it speedily.

- **CCN Team** – Community Children's Nurses - specialist paediatric trained nurses
- **AHPs** – Allied Health Professionals - speech and language therapy, physiotherapy, occupational therapy, dietetics, orthoptics – referral based service
- **CVT** – Community Vaccination Team - nurses who deliver vaccination services to all age groups
- **Learning Disability Services** – where there is LD diagnosis
- **Oral Health – Dental** – prevention and treatment service
- **LAC – Looked After Children** - nurses who work only with looked after children. When notified by Social Work that a child has become looked after, the LAC nurses will undertake a health assessment. They may refer to school nursing for ongoing reviews and wider support.

## Medicine Administration

If it has been agreed with the school that a child is to receive medication within the school day, the appropriate form must be signed and returned. Forms can be found here <https://www.edinburgh.gov.uk/healthcareplanning> Medication should be sent into school with the school transport passenger assistant or handed in by parents/carers together with the original container and instructions.

## Use of social media

Staff at St Crispin's School have engaged with CEC Social Media Guidelines and as such, understand the benefits and risks of using social media as a way to positively represent the general life of a school.

We encourage parents and carers to interact on social media with the same respect and kindness as we would in real life.

### **Parental Requests for class lists**

Information about your child is held securely and appropriate safeguards are in place. Due to these safeguards we are unable to provide parents and carers with the list of names your child is classmates with.

### **Other School Policies**

All of our school policies are available on request and can also be found on our website.
---

## **Section Two – Parental Involvement in the School**

Parental involvement is very important as we know children and young people do better on a wide range of measures. These positive effects include:

- Better behaviour
- More confidence and greater self-esteem
- Higher attendance rates
- A lower risk of exclusion
- More enthusiasm about learning
- Better results.

This section contains information about our Learning Together Framework and how parents and carers can get involved in their child's learning.

You can also find out more about the ethos of our school, what our values are and our aspirations for our pupils including how we celebrate pupil success, and links we have with partner organisations and the wider local, national and international community.

Lastly, it includes information on City of Edinburgh Council structures to support the voice of parents and carers. This includes your Parent Council and Parent Teacher

Association/Parent Association, how to contact them and how parents and carers can get involved in the life and work of the school.

Connect <https://www.facebook.com/groups/connectingparentgroups> is the national organisation for Parent Teacher Associations and Parent Associations in Scotland, Parent Councils can join too, and it runs an independent helpline service for all parents.

The National Parent Forum of Scotland <https://www.npfs.org.uk> has been set up to give Parent Councils and parents an opportunity to discuss and raise educational issues of mutual interest or concerns at a national level.

## **Equality**

City of Edinburgh Council is committed to improving the quality of life for those who face inequality, harassment, discrimination and prejudice and to harness the talent and celebrate the difference of all who live in the city. This commitment is set out in the Equality, Diversity and Rights Framework which can be viewed on the council's website. As a school, we are committed to fulfilling our obligation of equity and excellence for all learners, with particular reference to protected characteristics under the Equality Act 2010 (race, gender, disability, sexual orientation, religion/belief, age, marriage or civil partnership, transgender status or pregnancy/maternity) and other factors such as poverty.

## **Children's Rights**

The rights of children and young people are at the heart of our code to practice. They are laid out in the United Nations Convention on the Rights of the Child (UNCRC). The UNCRC ensures that children and young people grow up healthy and safe and that their views are taken into considerations in decisions that affect them.

## **Ethos**

St Crispin's School offers an inclusive and supportive educational environment in which every pupil can thrive. We aspire to meet the individual needs of our pupils so that they can reach their full potential as successful learners, confident individuals, responsible citizens and effective contributors, prepared for learning, life and work.

## **Values**

We are committed to supporting the development of the whole pupil and as a result, wish to encourage their development in spiritual, moral, social and cultural terms.

- Provide a welcoming environment and culture in which children can be safe, active and healthy and where everyone in the school is respected and valued.
- Provide a broad, balanced curriculum with opportunities and experiences to meet each individual child's needs, strengths, aspirations and interests.

- Deliver the curriculum in a clear, structured manner, which allows pupils effective access and promotes engagement, independence, and a positive attitude to learning.
- Ensure that all pupils are able to realise their full potential through the effective use of individualised educational programmes.
- Build and maintain effective partnerships with parents, carers and those others involved with the child.
- Improve the quality of learning and teaching through regular and robust self-evaluation.
- Ensure that the school's management team provide high quality leadership, management and support.
- Improve the quality of educational experiences for pupils through a programme of continuing professional development for all staff.

### **Promoting Positive Relationships**

Every child and young person has the right to a high quality education. Positive relationships are fundamental to enable effective teaching and learning to take place. All staff focus on positive relationships by looking for opportunities to encourage learner skills, recognise effort and build on strengths. Positive relationships form a foundation that minimises difficulties occurring.

We have adopted the following key principles to create a caring, supportive, learning environment:

- an ethos that values positive, restorative and respectful relationships and promotes shared values
- an inclusive and safe learning environment which supports children and develops their skills and resilience enabling them to become responsible for their own behaviour
- recognising that all behaviour is communication and that understanding what is being communicated and the underlying needs is crucial for assessing and meeting children's needs and finding solutions.

The school uses approaches and strategies which are designed to help prevent and de-escalate difficult situations and identify and support individual support needs.

We understand that everyone learns best when they feel good about themselves. Punishments can make children feel bad about themselves. This can hinder their ability to engage in their learning, including their behaviour. Positive approaches to support behaviour focusses on relationships, skills building, restoration and when

appropriate logical or natural consequences appropriate to the child, rather than the implementation of punishments.

We explore and establish “what’s happened” with children. To do this we listen to their response whether that is given verbally or expressed non-verbally and act appropriately. Once the reason and purpose for the child’s behaviour is known we explore how we can develop appropriate support or adaptations to address the issue by promoting well-being, offering coping strategies and agreeing constructive solutions.

We also want to engage directly with parents to foster and develop our positive ethos. To work together to maintain and support shared learning community values and excellent home/school communication. We want to work together to address, prevent and resolve any difficulties should they arise and to build on our strengths together.

We have a small number of easily remembered rules / values which everyone in our learning community knows.

These are:

Kind

Responsible

Aspirational

Respectful

Honest

These form the basis of all our conversations in relation to behavioural expectations. It is helpful if parents can also discuss these rules / values with their children if there has been an incident in school. The purpose of these conversations is to find solutions and develop skills that will prevent problems in the future.

## **St Crispin’s School- Positive Behaviour Policy**

### **Context**

This positive behaviour policy is written in the context of St. Crispin’s and the principles that are addressed in our values and aims. Challenging behaviour is a form of expression, often an intense or frequent response to an emotional, physical, social or educational barrier which can put safety or future development at risk. We aim to provide strategies and approaches that will enable our pupils to succeed and communicate their needs in a more appropriate manner.

### **Promoting Positive Behaviour**

- Pupils should always be approached in a positive manner
- We set clear boundaries and give clear messages about what is expected
- Consistency between staff members is essential
- All pupils and staff are treated with respect
- We support pupils to learn self-control and self-expression in ways that are appropriate and helpful to them and to those around them.

### **Strategies (What we do)**

- Good communication is vital at all stages in promoting Positive Behaviour.
- We should not assume that the child or young person understands our language. Even a child who may normally have reasonable comprehension will not cope so well when distressed/aroused.
- Pupils are valued as individuals and most pupils have an individualised behaviour plan.
- An inclusive communication environment and visual supports are provided at all times to support understanding.
- Pupils respond well to a structured environment. This means that classrooms should be well organised, clean and clutter free.
- Unlike a typical classroom, the area should present a low visual stimulus and different work areas should be clearly defined.
- Weekly behaviour sheets should be filled out in class teams and challenging behaviour may then be discussed with management or with outside agencies.
- Each class or area has a panic button, and this can be used in the event of an emergency in order to raise awareness or summon assistance.
- Incident Report Forms will be completed if there are incidents resulting in injury.
- Staff at St. Crispin's are trained in CALM (Crisis and Aggression Limitation and Management) physical intervention and any use will be a positive intervention, following CALM procedural guidelines.
- GIRFEC (Getting it Right For Every Child) – we need to ensure that we get it right for every child in our care. A planning meeting can be called to bring agencies together to support a child or young person at times of increased need.

### **Rationale (Why we do it)**

- We recognise challenging behaviour as a form of communication and seek to understand what a pupil is trying to convey.
- We try to think ahead, recognise triggers and plan to avoid them if possible.
- It is helpful in thinking through strategies and plans to start with the desired behaviour. What do we want the child to do? How can we convey this. How do we ensure that we are reinforcing the desired behaviour?
- Many pupils benefit from having individual timetables, these help

give the child or young person a feeling of ownership and control, ensure clear understanding of their day and what is expected of them and provides staff with a recognised way of introducing change.

- When working with pupils always give time to process a request/instruction and use appropriate communication. (object/photo/symbol/simple verbal language).

## **Preventing and Responding to Bullying and Prejudice Behaviour Among Children and Young People**

City of Edinburgh Council updated their anti-bullying guidance in session 2020-21. As an authority, we are committed to equalities and the wellbeing and protection of children and young people from bullying and prejudice. We work to prevent bullying and prejudicial behaviours and attitudes, and to develop positive relationships with all members of our school communities and wider partners. This work is part of our approach to Getting it Right for Every Child, creating communities that allow children to be Safe, Healthy, Active, Nurtured, Achieving, Respected, Responsible and Included.

Pupil-led equalities groups, which reflect the diversity of the school community, are working to ensure that all children have access to support, are listened to and are involved in the decisions that will continue to make their school a place to which feels safe, happy and nurturing.

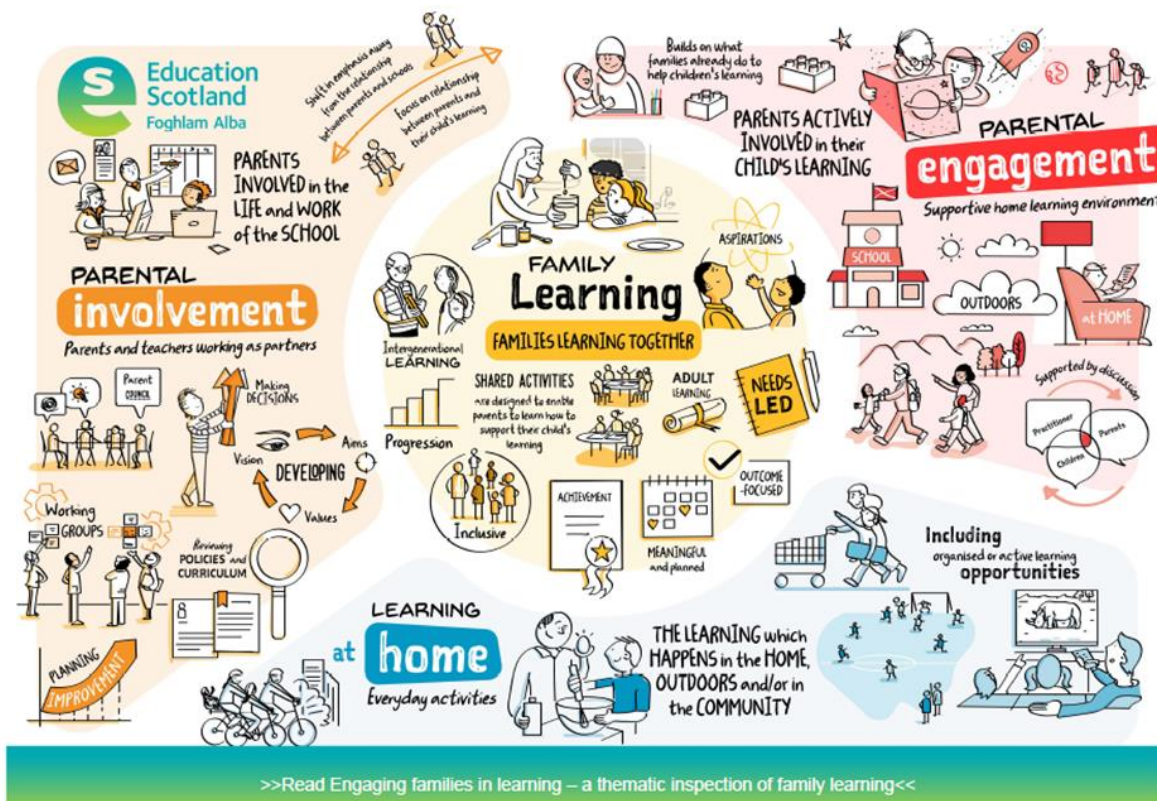

As a school, we are committed to equalities and the wellbeing and protection children and young people from bullying and prejudice. Our school procedure is informed by the overarching 'Preventing and Responding to Bullying amongst Children and Young People' procedure. We recognise that policy and procedures alone will not address the prevention of bullying; through our core practices (Relationships, Rights Respecting, Resilience, Restorative) we aim to build positive relationships and a culture and ethos which ensure respect, equality and inclusion. We promote an actively anti-bullying and anti-prejudice culture in our school through preventative, pro-active and responsive approaches.

Bullying and prejudice-based behaviours are not tolerated. The school will put in place appropriate support for all children and young people involved in a bullying or prejudice-based incident. We will support children who display bullying or prejudiced behaviour to identify the feelings and views that have caused them to act in this way. We will challenge these views and support children, through education and learning, to develop alternative ways of behaving. Working together with parents is an essential part of our approach to preventing and responding to bullying. When bullying or prejudice happen it is important that all parents involved work with the school to resolve the problems in the best interests of their child.

## **Learning Together Framework**

Learning Together is about: Parental Involvement, Parental Engagement, Family Learning, Learning at Home

Education Scotland has captured helpful information about Parental Involvement, Engagement, Family Learning and Learning at Home in the sketchnote below:

## Aims and Rationale

The purpose of our strategy is to ensure excellence and equity in parental involvement and engagement, family learning and learning at home within our schools. It aims to:

### Aims and Rationale:

- Ensure that parents are supported to be fully involved in the life and work of their children’s early learning and childcare setting or school
- Encourage and support collaborative partnerships between staff, parents and families
- Get the right support in place so that parents can engage in their child’s learning
- Expand access to family learning opportunities which meet participants needs
- Improve the quality of all communication between staff, parents and families
- Improve the skills of leaders, front-line staff and support staff

Education Scotland

### Parental Involvement:

- it is about parents becoming involved in the life and work of the school.

This can be:

- In the Parent Council
- Working Groups to take forwards improvement priorities identified in the school's improvement plan and help build parent's understanding of how these support their child's learning
- Planning improvement together, supporting the school's aims, vision and values when making decisions
- Volunteering

Parental Engagement:

- can be considered as active engagement in learning. This can take place in a variety of settings such as schools, the community, through Family Learning and learning at home.

This can be:

- Learning in the home
- Learning outdoors
- Learning in the community
- Supported by discussion and sharing learning between the child, school staff and parents

Family Learning:

- is family members learning together as and within a family with a focus on intergenerational learning. Family learning can also be designed to enable parents to learn how to support their children's learning

This can involve:

- Intergenerational learning
- Adult learning

Learning at Home:

- the learning which happens in the home, outdoors, community. It can take place through everyday activities that families already do and can overlap with aspects of organised or active learning activities.

This can be:

- Football
- Cycling
- Shopping
- Playing games

**Parental involvement describes ways in which parents can get involved in the life and work of their child's school. Parental engagement is about parents'**

**interaction with their children's learning. Schools and partners can play a vital role in supporting families to do this effectively by:**

- enabling ongoing, two-way communications between home and school;
- supporting parents to contribute to school improvement and making decisions that affect the school;
- using the skills of parents to enrich the curriculum where appropriate; and
- providing opportunities for families to come together and engage with learning

### **Aims and Rationale**

**The purpose of our strategy is to ensure excellence and equity in parental involvement and engagement within our schools. It will ensure:**

- we have the capacity and skills to support parental involvement and engagement;
- involvement and engagement is monitored and evaluated;
- effective communication is in place between home and school;
- parents can see how their involvement is influencing school improvement;
- we provide appropriate opportunities to involve all parents, whatever their ability, background or interest, to participate in the design, delivery and evaluation of the services and facilities that impact on their children;
- all staff who work with children and young people see the importance of engaging and working with parents.

### **Parental Involvement**

'Parental involvement is about supporting pupils and their learning. It is about parents and teachers working together in partnership to help children become more confident learners.

Parental Involvement Act, 2006

Getting involved in the life and work of your child's school can include:

- ✓ Establishing and reviewing the Vision, aims, rationale of setting/school
- ✓ Improvement planning
- ✓ Decision-making on education matters affecting child's learning

- ✓ Developing/reviewing policies
- ✓ Organising events for families
- ✓ Using parents' skills to enhance/enrich the curriculum
- ✓ Short-life working groups
- ✓ Volunteering
- ✓ Developing the young workforce
- ✓ Parent Council/Parent Teacher Association
- ✓ Parental representation at school, local authority and national levels

At St Crispin's we are building strong partnerships with parents and carers to support health and wellbeing and education of our pupils. Central to this is the communication we all have with our parents and carers, and their engagement in the life of the school.

- We have chat folders and home school diaries to keep in touch on a daily basis. Each class teacher also has a mobile phone which is used to facilitate contact between home and school. Many of the children are pleased to have their folder to take home to share photos of achievements and news of the day with their families. It also includes certificates, learning outcomes and planned work for the class.
- We welcome conversations by letter, phone or email from parents and carers.
- We send home lists of school events, invitations to participate and newsletters covering a wide range of individual, class and whole school activities. We use Groupcall messaging system and this enables us to share information via email and text message
- We offer opportunities for you to discuss your child's progress with teachers through arranged meetings. You will be advised when these meetings take place. Over and above these set meetings, parents are welcome to contact the school at any time to ask for information or for a meeting.
- We have review meetings for individual pupils throughout the year. This can include a review of the Individualised Educational Programme, The Co-ordinated Support Plan or Transition arrangements for children coming up to school leaving. In all cases we review progress and consider future plans together
- The school hosts a range of other meetings as part of the 'Getting it Right for Every Child' approach which encourages all appropriate agencies to work together with children and their families so that appropriate support for the child can be put in place as required

### **Parental Consultation/Reporting to Parents Throughout the Year**

- Each pupil has a Child's Planning Meeting (CPM) or Young Person's Planning Meeting (YPPM) annually which involves the child's family and all of the professionals involved in the child's life. There are 2 parents' evenings throughout the school year and these take place in September and June.

## Parental Engagement

Parental engagement can be considered as active involvement in learning.

Parental engagement represents a greater 'commitment, ownership of action' than parental involvement within educational settings such as early learning and childcare or schools.

Goodall and Montgomery, 2014

Your child's school will actively involve you in their child's learning. This can include

- ✓ discussions between parents/practitioners and children
- ✓ Focusing on how families can build on what they already do to help child's learning and to provide a supportive learning environment at home
- ✓ Providing clear and regular communication from school to home
- ✓ Making good use of information technology and the school website

## Family Learning

Family learning is a powerful method of engagement and learning which can foster positive attitudes towards life-long learning, promote socio-economic resilience and challenge educational disadvantage.

Family Learning Network, 2016

Family Learning encourages family members to learn together as and within a family, with a focus on intergenerational learning.

Family learning activities can also be specifically designed to enable parents to learn how to support their children's learning.

## **Learning at Home**

Learning at home recognises the vital role that parents, family members, peers and practitioners play in children's learning and development.

Review of Learning at Home 2018

The learning which happens in the home, outdoors and/or in the community, including organised or active learning opportunities

Everyday activities that families already do can be learning at home. These can include

- play
- leisure activities
- fun events
- sports
- trips
- cultural or volunteering experiences
- school related activities such as homework, reading and sharing books.

## **Parental Consultation/Reporting to Parents Throughout the Year**

Each pupil has a Child's Planning Meeting (CPM) or Young Person's Planning Meeting (YPPM) annually which involves the child's family and all of the professionals involved in the child's life. There are 2 parents' evenings throughout the school year, and these take place in September and June.

## **Parent Forum and Parent Councils**

All parents/carers are automatically members of the Parent Forum at their child's school. As a member of the Parent Forum you can expect to –

- receive information about the school and its activities;
- be asked your opinion by the parent council on issues relating to the school and the education it provides;
- work in partnership with staff; and
- enjoy taking part in the life of the school in whatever way possible.

The Parent Forum decides how their representatives on the Parent Council are chosen and how your Parent Council operates. It is important to us that our Parent Council represents the rich diversity of our school community. We warmly invite all parents and carers to volunteer or put themselves forward as representatives on the Parent Council.

The main aims of the Parent Council are:

- To support the school in its work with pupils
- To represent the views of parents and carers
- To promote contact between the school, parents, pupils, providers of nursery education and the community
- To report to the Parent Forum
- To be involved in the appointment of senior promoted staff.

The Chair of the Parent Council is Maurice Shamish and he can be contacted via the following email address: [maurice.shamash@gmail.com](mailto:maurice.shamash@gmail.com)

For more information on parental involvement or to find out about parents as partners in their children's learning, please contact the school or visit the Parentzone website at [www.parentzonescotland.gov.uk](http://www.parentzonescotland.gov.uk).

Connect is the national organisation for Parent Staff Associations and Parents' Associations in Scotland, Parent Councils can join too, and it runs an independent helpline service for all parents.

The National Parent Forum of Scotland has been set up to give Parent Councils and parents an opportunity to discuss and raise educational issues of mutual interest or concerns at a national level.

### **Locality groups and the citywide Special Schools Group**

Locality groups and the citywide Special Schools Group enables Parent Councils members to get together to discuss common issues and have their views on local and citywide issues heard.

### **The Consultative Committee with Parents**

The Consultative Committee with Parents (CCwP) is a forum that gives parents and carers the chance to discuss citywide and national issues with members of our staff and other groups.

The CCwP meets four times a year. Parent members are chosen at the meetings of the locality groups and citywide special schools group. The CCwP meets four times a year. Parent members are chosen at the meetings of the locality groups and citywide special schools' group. One parent from the CCwP is put forward to take part in the Education Children Families Committee. This post lasts up to four years.

### **Education Children's and Families Committee**

The committee has two parent representatives who speaks on the behalf of parents, taking their views from their work in a school, locality group and the Consultative Committee with Parents (CCwP).

## Who to ask.

All questions/ requests for information can be sent to

[parental.engagement@edinburgh.gov.uk](mailto:parental.engagement@edinburgh.gov.uk)

Your email will be forwarded onto the right person/department to provide the answer/support you need.

## Pupil Voice Groups

Our pupils are encouraged to express their opinions on issues of importance in a variety of ways. This includes at assemblies, circle time and during health and wellbeing activities.

## Section Three – School Curriculum

This section describes how the curriculum is planned and delivered in our school including the range of subjects and subject areas your child will be learning. It also includes information on how pupils develop skills for learning, life and work, including literacy, numeracy and health and wellbeing in and out of the classroom.

As well as giving you information about the statutory curriculum requirements we have included details on sports and outdoor activities available to pupils and the range of facilities available within the school.

Details of how parents will be informed about sensitive aspects of learning e.g. relationships, sexual health, parenthood and drugs awareness are included as well as information about religious instruction and observance and arrangements for parents who wish to exercise their right to withdraw their child.

## Edinburgh Learns for Life –A Vision for Education

## Our Vision

The Edinburgh Learns for Life vision is to create a fairer, healthier, greener future for everyone. We will work together to ensure that high quality learning takes place in schools and in the wider communities where young people live, learn and work. All

our young people will be supported to make progress in their learning, pursue their interests and passions, without being limited by barriers. We will provide inclusive and equitable learning opportunities for everyone. Learners will be provided with opportunities to lead, and shape, their own learning where a wide range of pathways are valued equally. Through working together, we will form relationships, and connections, which support positive health and wellbeing and reduce poverty

### **Curriculum for Excellence: Bringing learning to life and life to learning**

Curriculum for Excellence is the curriculum across Scotland for all 3-18 year olds – wherever they learn. It aims to raise standards; preparing our children for a future they do not yet know and equip them for jobs of tomorrow in a fast changing world.

Teachers and practitioners will share information to plan a child's 'learning journey' from 3-18, helping their progression from nursery to primary, primary to secondary and beyond, ensuring each transition is smooth. They'll ensure children continue to work at a pace they can cope with and with challenge they can thrive on.

Curriculum for Excellence balances the importance of knowledge and skills. Every child is entitled to a broad and deep general education, whatever their level and ability. Every single teacher and practitioner will be responsible for the development of literacy and numeracy from Early Level through to Senior Phase.

It develops skills for learning, life and work, bringing real life into the classroom, making learning relevant and helping young people apply lessons to their life beyond the classroom. It links knowledge in one subject area to another helping make connections in their learning. It develops skills which can enable children to think for themselves, make sound judgements, challenge, enquire and find solutions.

There is an entitlement to personal support to help young people fulfil their potential and make the most of their opportunities with additional support wherever that's needed. There is an emphasis by all staff on looking after our children's health and wellbeing using the Wellbeing Indicators.

Ultimately, Curriculum for Excellence aims to improve our children's life chances, to nurture successful learners, confident individuals, effective contributors, and responsible citizens, building on Scotland's reputation for great education.

The Curriculum for Excellence includes the following areas of learning: -

- Communication and Literacy – includes reading, writing, listening, talking and all other forms of communication.
- Numeracy and Mathematics – includes work on numbers, money, time, shape and measure.
- Health and Wellbeing – includes the promotion of the physical, social, mental and emotional health and wellbeing of all of our pupils, in a safe and secure environment.
- Religious and moral education – includes learning to respect each other and understanding and respecting different cultures and world religions.

- Sciences – includes understanding key aspects of the world around us and how it works.
- Social studies – includes learning about the people in our world past and present.
- Technologies – includes independent living and computer skills.
- Expressive arts – includes art, drama, dance and music.

Your child's school will share information regarding how the curriculum is delivered in the school.

Underpinning the curriculum is the belief that every child can learn and that it is up to the people who support them through the learning process to ensure that each and every one learns at the pace which is appropriate for them and to meet their needs in the best possible way.

Children learn in different ways, through listening, watching and doing. Teachers prepare their lessons so that children will have the opportunity to experience all ways of learning in the different areas of the curriculum.

Home learning suggestions and resources can be found on the school website.

Please contact the Headteacher if you would like any further information about the curriculum within our school.

## **Gaelic-Medium Education**

Gaelic-Medium Education (GME), is available at nursery, primary and secondary levels. We also run Gaelic parent and toddler groups at various locations in the city. For more information visit the Cròileagan Dhùn Èideann Facebook page [here](https://www.facebook.com/croileagan/).  
<https://www.facebook.com/croileagan/>

Edinburgh's first dedicated Gaelic Medium Education nursery and primary school, [Bun-sgoil Taobh na Pairce](#), opened in Aug. 2013 in the Leith area of the city. The school attracts a wide range of families from across the city and the wider Lothian area. Although pupils starting at P1 do not need to have prior knowledge of Gaelic, attending a Gaelic-medium setting for pre-school years is highly advantageous and so is strongly recommended. Learners need to develop strong language skills to fully access our rich curriculum with confidence. To achieve this, we adopt an immersive model which means Gaelic is the main language of the classroom and the school, from the earliest stages. To allow for the best outcomes for all our learners, we would only admit pupils later than Primary One if their skill and confidence in Gaelic language are demonstrably at a level that would allow them fully to access the curriculum and take part in school life with confidence.

The nature of the immersive model means that GME does not lend itself well to flexi-schooling. To be best placed to support pupils thrive in a GME environment, all parents are strongly encouraged to committing to engage with learning the language themselves. School staff are happy to advise and support families with their Gaelic learning.

Pupils should register for a nursery or school place in the usual way. Taobh na Pàirce runs regular open afternoons for prospective nursery parents, where all families will receive a very warm welcome.

Please contact the school for further information.

Currently, pupils who have studied at [Bun Sgoil Taobh na Pairce](#) transfer to [James Gillespie's High School](#), at the end of P7, to continue with GME.

For general enquiries about GME provision in Edinburgh you can contact us via our dedicated mailbox at [gme@edinburgh.gov.uk](mailto:gme@edinburgh.gov.uk)

## **Active Learning**

Curriculum for Excellence emphasises the value of an active learning approach. In the early years, children will have a range of learning experiences that include planned and purposeful play and stimulating learning which engages and challenges children's thinking using real life and imaginary situations. As children progress through school they continue to be involved in active learning experiences which are engaging and give them ownership of their own learning.

## **Learning Through Play**

Research shows play-based learning has a positive and lasting impact on children's learning, teaches them skills relevant to the 21st century. Integrating learning and outdoor experiences, whether through play in the immediate grounds or adventures further afield, provides relevance and depth to the curriculum. Early Years Practitioners and teaching staff use a play-based approach that involves both child-initiated and teacher-supported learning that encourages children's inquiry through interactions that aim to stretch their thinking to higher levels.

## **Planning Children's and Young People's Learning**

Teachers in nursery, primary and secondary schools share their learning intentions with pupils, parents and carers. This takes place on a day-to-day basis, by agreeing the aims of an individual piece of work.

Longer-term planning also takes place in a variety of forms.

<p>All of the learners at St Crispin's School have an Individualised Educational Plan (IEP) with associated attainment targets. As much as possible pupils are involved in their planning and are given choices in what they learn. Primary learning is based on identified themes throughout the year and for Secondary pupils their learning is based on ASDAN and SQA qualifications.</p>
--

## **Assessment**

As pupils progress through our school, teachers use a range of assessment strategies, including Assessment for Learning strategies.

Regular assessments are made by teachers and these help teachers to assess children's progress and to plan next steps in learning.

The senior phase (S4-S6) builds on the broad general education by continuing to develop learners' knowledge, understanding and skills. National Qualifications are designed to be flexible. Discussions are held with young people where appropriate and parents on the most appropriate learning pathways.

We recognise that all pupils do not develop and progress at the same rate and, therefore, we use both group and individual methods to ensure that all pupils are given appropriate instruction and the opportunity to succeed. Please contact the school as soon as possible if you have any concerns about your child's progress.

Assessment is an ongoing process throughout a child's time at the school and involves discussion with parents and the multi-disciplinary team. Children's progress is monitored and evaluated by class teachers in conjunction with the Head teacher/Deputy Head teacher. Parents will receive an end of year report which covers all areas of the curriculum. Pupil profiles are completed at the end of P7 and S3 and provide photographic evidence of a child's learning.

## **Homework**

We have a clearly defined policy on homework, a copy of which will be distributed to you on an annual basis.

Pupils are regularly given homework to support their learning and to encourage them to become more organised and self-supporting in their learning. Homework tasks will be given where a teacher feels a particular child or group of children may benefit from it and will be in line with your school's homework strategy.

The homework will be organised according to the stage and ability of the child, it can arise from all curricular areas, and it may include written, oral or practical activities. The tasks set will be interesting, worthwhile and challenging for the child.

Parents are encouraged to help pupils with their homework as a means of keeping them up to date with the work of the class and the child's progress and to promote partnership between the school and parents. Homework provides an opportunity to consolidate what has been learned in class, and makes you aware of what your child is learning and provides you with a useful discussion starter. Homework is also an integral part of school work. Parental interest and co-operation in ensuring homework is undertaken is appreciated.

At St Crispin's, we believe continuing their learning at home is of benefit to our children, so we encourage parents and carers to build on their child's school education wherever possible.

The purpose of feedback is to: -

- give children an opportunity to practice and consolidate basic skills that have been learned at school.
- help improve planning and organisational skills.
- help develop good habits and self-discipline.
- encourage ownership and responsibility for learning.
- show parents and carers what the children have learnt.
- help create a firm partnership between parents, carers and teachers.

School values homework and the contribution parents can make to their children's learning.

Children are entitled to homework that is appropriate to their individual needs and parents can expect to be given information about tasks through home/school diaries.

## **Religious Instruction and Observance**

Parents who wish to exercise their right to withdraw their child from religious instruction and / or observance should contact the head teacher, in writing, and alternative arrangements will be made for your child.

## **Active Schools**

The fundamental aim of Active Schools is to give school-aged children the tools, motivation and the opportunities to be more active throughout their school years and into adulthood, and to develop effective pathways between schools and sports clubs in the local community. These opportunities are available before, during and after school, as well as in the wider community. We access activities and events throughout the year and our Active Schools Co-ordinator (Jill Coleman) works with our PE specialist to provide suitable experiences for our pupils.

## **Progression Pathways in the Senior Phase (S4-S6)**

We are committed to supporting all children and young people into positive and sustained leaver destinations. By curriculum pathway we mean: "the totality of all that is planned for children and young people throughout their education" (Building the Curriculum 3, 2008) - where all learners are on the right route to the right job, through the right course via the right information.

## **Getting It Right for Every Child**

Taking care of our children's well-being and making sure they are alright - even before they are born - helps us ensure the most positive outcomes for them later in

life. It gives them the potential to grow up ready to succeed and play their part in society. Our school adopts the Getting it right for every child in Edinburgh approach to give the right help to children, young people and families, when they need it from a joined up multi agency team.

Getting it right for every child aims to improve outcomes for all children and young people. It promotes a shared approach that:

- builds solutions with and around Education, and Children's Services
- enables children to get the help they need when they need it
- supports a positive shift in culture, systems and practice
- involves working together to make things better

Getting it right for every child is the foundation for work with all children and young people, including adult services where parents are involved. It builds on universal health and education services and is embedded in the developing early years and youth frameworks. Developments in the universal services of health and education, such as Better Health Better Care and Curriculum for Excellence, are identifying what needs to be done in those particular areas to improve outcomes for children.

## **Protecting Children and Young People**

We place a high priority on the well-being and safety of our pupils. To this end we have in place a personal safety programme to give pupils knowledge and life skills to keep them safe from all form of abuse. Where we have concerns that a child about the possible abuse of pupils we are required to follow the Edinburgh and the Lothian's Inter-Agency Child Protection Procedures which set out the specific duties and responsibilities towards the child and their parents/carers.

## **Additional Support Needs**

As with all local authority schools in Scotland, this school operates under the terms of the Additional Support for Learning Act (2009) and it's accompanying Code of Practice: <https://education.gov.scot/parentzone/additional-support/the-additional-support-for-learning-act/>

It provides the following information:

- (a) the authority's policy in relation to provision for additional support needs,*
- (b) the arrangements made by the authority in making appropriate arrangement for keeping under consideration the additional support needs of each such child and young person and the particular additional support needs of the children and young persons so identified.*
- c) the other opportunities available under this Act for the identification of children and young persons who -*
  - a) have additional support needs,*
  - b) require, or would require, a co-ordinated support plan,*
  - c) the role of parents, children and young persons in the arrangements referred to in paragraph (b),*
  - d) the mediation services provided*
  - e) the officer or officers of the authority from whom parents of children having additional support needs, and young persons having such needs, can obtain advice*

*and further information about provision for such needs.*

Further details of the policies and procedures can be found on Edinburgh Council website.

The Act requires each Education Authority to publish information about the Act. In on the Act, was produced by the City of Edinburgh Council:  
<https://www.edinburgh.gov.uk/downloads/file/22136/in-on-the-act>

## **Literacy Difficulties/ Dyslexia**

*Dyslexia is evident when accurate and fluent word reading and/or spelling develops very incompletely or with great difficulty. This focuses on literacy learning at the 'word level' and implies that the problem is severe and persistent despite appropriate learning opportunities.*

*The Authority also recognises that there may be **associated difficulties***

- Reading comprehension
- Phonological awareness
- Processing: auditory and/or visual processing of language-based information
- Short-term and working memory
- Organisational skills and motor skills
- Maths
- Emotional and behavioural difficulties

*Support and assessment begin in the classroom. Class teachers and Support for Learning teachers have resources and training to identify this learning difference and to put appropriate support strategies in place.*

*If you have concerns please speak to your child's class teacher in the first instance.*

## **English as an Additional Language**

The Education, and Children's Services Department provides English as an Additional Language (EAL) support for schools. Specialist EAL Teachers work with schools to support developing bilingual learners' English language skills and access to all areas of the curriculum, to enable them to achieve their potential

St Crispin's is a non-denominational special school providing education for primary and secondary age pupils and is located in southeast Edinburgh. The school meets the additional support needs of pupils with severe and complex learning difficulties, many of whom are on the autistic spectrum. The school serves a wide area with pupils travelling from all areas of the city.

There are thirteen classrooms. There is also a gym hall, dining hall, rooms for Art, Music and Home Economics, a swimming pool, soft play, a small library, a sensory room and a sensory suite. There is also a medical room and a Speech and Language

therapy room. There is an outdoor adventure playground and two garden areas, with two other playgrounds.

Most of the school accommodation is at ground level but there is an upstairs area which is accessible by lift.

We work with other agencies and professionals – for example, Social Work Services, Educational Psychology Service, National Health Service and you the parent to make decisions with regards to the best possible education to meet the needs of your child within the resources available.

Parents, carers and children with additional support needs can also seek independent advice and support through:

- Enquire: [www.enquire.org.uk](http://www.enquire.org.uk) Telephone 0845 123 2303
- Scottish Independent Advocacy Alliance, [www.siaa.org.uk](http://www.siaa.org.uk) Telephone 0131 260 5380 Take
- Note: (National Advocacy Service for Additional Support Needs) (Barnados in association with the Scottish Child Law Centre) [www.sclc.org.uk](http://www.sclc.org.uk) Telephone 0131 667 6633.

### **Pastoral Support**

Pastoral support is available depending on individual needs.

### **Transitions – Moving to a New School or Leaving School**

This section also gives information about transition.

There are also details about making a placing request to another school.

### **Transfer from Nursery to Primary**

Before leaving nursery, a transfer of information record for each child will be prepared by nursery staff to ensure a smooth transition and continuity of education for the child transferring to primary.

### **Primary School Admissions**

Starting school is a very important milestone both for children and their parents. The vast majority of our parents choose their local, catchment school and we plan our education provision to ensure we can provide places for new pupils at their catchment school.

In the run-up to November's registration week for the new Primary 1 intake each school will offer an opportunity for you to visit them. You can speak to staff to find out more about the school first-hand. You can see how the school runs; discuss the curriculum and their priorities as well as seeing recent examples of pupils' work on display. In many cases you may also have the chance to meet other parents who already have children there. All of this will help you understand the school's unique character and give you an insight into the learning environment that your child could enjoy there.

All our schools offer a high-quality educational experience and hope to work with parents and carers to support their children.

### **Primary to Secondary Transfer**

St Crispin's is an all-through school and pupils would normally transition from a primary class straight into a secondary class. Pupils are supported to make this transition and occasionally pupils will move to a different school for their secondary education.

### **Placing Requests**

As a parent, if you don't want your child(ren) to be educated in your local catchment school, you have the right to make a Placing Request for your child(ren) to attend another school.

If you would like your child to start P1 or S1 at a school outside your catchment area, you must make a Placing Request. You can get a Placing Request application form at any nursery or primary school in Edinburgh from mid-November and must return it by **24 December** to:

e-mail: [school.placements@edinburgh.gov.uk](mailto:school.placements@edinburgh.gov.uk)

post: School Transactions  
P1/S1 Placements,  
PO Box 12331,  
EDINBURGH  
EH7 9DN

If we receive your application form after 24 December, your request will be considered, but if we receive your application form after **24<sup>th</sup> December** places in your chosen school may no longer be available.

The Council must grant Placing Requests where possible. If there are more places available in a school than there are placing requests, all placing requests are usually granted.

If the school you choose has more placing requests than available places, each case is looked at individually. Please include all relevant details on your Placing Request application form so this can be taken into account.

As school rolls have increased there has been a decrease in the number of places available for children living outside the catchment area. This has resulted in high numbers of placing requests being refused.

If a Placing Request is successful for one child, this does not guarantee a successful Placing Request for their sibling. This could mean parent(s)/guardian(s) have children attending different schools.

## **Transport for Placing Requests**

If a Placing Request is successful, parents will be responsible for the safety and transportation costs of their child to and from their chosen school.

## **Further information**

Further information on school placing requests can be found on our website at: [http://www.edinburgh.gov.uk/info/20256/school\\_places/1375/school\\_placing\\_requests](http://www.edinburgh.gov.uk/info/20256/school_places/1375/school_placing_requests)

## **Section Five – School Improvement**

The section gives you an overview of the main achievements of the school within the last 12 months and performance information relating to literacy, numeracy and health and wellbeing.

### **Raising Attainment**

Monitoring performance and using the resulting information to secure improvement is an important part of the work of head teachers, school staff and officers within Education, and Children’s Services.

### **Standards and Quality Report**

Every year each school publishes a Standards and Quality report which highlights the school’s major achievements.

- |   |
|---|
| <ul style="list-style-type: none"><li>○ Please refer to our school website for our Standards and Quality Report</li></ul> |

## Websites

You may find the following websites useful.

- [www.edinburgh.gov.uk](http://www.edinburgh.gov.uk) - contains information for parents and information on Edinburgh schools.
- <https://education.gov.scot/parentzone> - parents can find out about everything from school term dates to exam results. This site also offers information for pre-5 and post school. It also lists relevant publications for parents and provides hyper-links to other useful organisations.
- <https://education.gov.scot/inspection-reports> - parents can access school and local authority inspection reports and find out more about the work of Education Scotland.
- <http://www.ltscotland.org.uk/scottishschoolsonline-index-asp/> - parents can find out about individual schools. They can choose a school and select what type of information they need such as Education Scotland reports, exam results, stay on rates and free school meal entitlement.
- <https://www.childline.org.uk/info-advice/bullying-abuse-safety/> - contains information for parents and children on varying forms of bullying and provides help for parents and children who are affected by bullying.
- <https://respectme.org.uk/> - Scotland's anti-bullying service. Contains information for parents and children on varying forms of bullying and provides help for parents and children who are affected by bullying
- <https://education.gov.scot/> - provides information and advice for parents as well as support and resources for education in Scotland
- <https://www.equalityhumanrights.com/en> - contains information for everyone on equality laws within the government and local authorities.

## Glossary/Acronyms

<b>1+2</b>	Mother tongue plus two additional languages	The policy to expand and improve learning so that by 2021 every child will learn a first additional language from Primary 1 and a second by Primary 5.
<b>ACP</b>	Anticipatory Care Plan	A document detailing how a patient would like their medical care to progress if they become unwell. For pupils with an ACP, it should travel with them on school outings.
<b>ADES</b>	Association of Directors of Education in Scotland	The national organisation which represents directors and senior managers from Scottish local authorities.
<b>ADHD</b>	Attention Deficit Hyperactivity Disorder	ADHD is a condition that affects people's behaviour. People with ADHD can seem restless, may have trouble concentrating and may act on impulse.
<b>AHDS</b>	Association of Head Teachers and Deputies in Scotland	AHDS is a union for promoted teachers in primary, nursery and ASN schools.
<b>AHPs</b>	Allied Health Professionals	An umbrella term for a range of professional practitioners and support staff including Occupational Therapists, Physiotherapists, Speech and Language Therapist and Orthotists.
<b>ASDAN</b>	Award Scheme Development and Accreditation Network	A British education charity and awarding organisation. Provides programmes and qualifications for learners with special educational needs and disabilities.
<b>ASD</b>	Autism Spectrum Disorder	Autism is a lifelong, developmental condition that affects the way a person communicates, interacts and processes information.
<b>ASL</b>	Additional Support for Learning	Additional support for learning means giving children extra help or support so they can get the most out of their education.
<b>ASN</b>	Additional Support Needs	A child or young person is said to have additional support needs if they need more, or different, support to what is normally provided in schools or pre-schools to children of the same age.
<b>BGE</b>	Broad General Education	The broad general education begins in early learning and childcare and continues to the end of S3 (the third year of secondary school).

<b>BNN</b>	Bilingual Nursery Nurse	Nursery Nurse who works in English and another language, to support Early Years settings and schools (P1) in their work with children and families who have English as an Additional Language. This includes joint assessment of children with other additional support needs.
<b>BSA</b>	Bilingual Support Assistant	Bilingual Support Assistants support early stage EAL learners to access the curriculum using their home language and English; support home-school-home communication; and advise on cultural issues. In Edinburgh, we have BSAs for Arabic, Cantonese, Kurdish, Mandarin, Polish, Punjabi/Urdu.
<b>CA</b>	Classroom Assistant	Classroom assistants provide support to teachers.
<b>CfE</b>	Curriculum for Excellence	Curriculum for Excellence is the Scottish curriculum for pupils aged 3 - 18. It helps our children and young people gain the knowledge, skills and attributes needed for life in the 21st century.
<b>CL</b>	Curriculum Leader	A promoted teacher who typically works in a secondary school and has a specific remit to take a lead role in managing their curriculum area. They typically manage and lead a team of teaching staff within their subject area.
<b>CLD</b>	Community Learning and Development	Teams who work with and support communities in areas such as adult and family learning and youth work.
<b>CLPL</b>	Career-long Professional Learning	Ongoing learning throughout a professional's career.
<b>COSLA</b>	Convention of Scottish Local Authorities	A membership organisation for councillors in Scottish local authorities.
<b>CPD</b>	Continuing Professional Development	Each teacher in Scotland is required to undertake a certain amount of CPD each year to maintain or upgrade skills and knowledge (see PRD and PU).
<b>CPM</b>	Child's Planning Meeting	<p>A meeting to implement or review a child's plan. A personalised child's plan will be available when a child needs a range of extra support planned, delivered and co-ordinated.</p> <p>This will explain what should improve for the child, the actions to be taken and why the plan has been created.</p> <p>The child's plan is managed by a 'lead professional': someone with the right skills and experience to make sure the plan is managed properly. Depending on the situation</p>

		<p>and the child's needs, the lead professional may also be their named person.</p> <p>The child and parent(s) will know what information is being shared, with whom and for what purpose, and their views will be taken into account. This may not happen in exceptional cases, such as where there is a concern for the safety of a child or someone else.</p>
<b>CSP</b>	Co-ordinated Support Plan	A child/ young person is eligible for a CSP when they need support at school from services other than education services, on an ongoing basis. A CSP document gathers together reports and plans from all the professionals who will support a child with additional support needs in school, for example Speech and Language Therapists, Social Workers. A CSP should be reviewed every year and parents have a key role in this process.
<b>CT</b>	Class Teacher	Teacher who is assigned to a specific class. In secondary specialist provision they may also be known as the base class teacher.
<b>CYPADM</b>	Children and Young People Acute Deterioration Management	A document detailing how a patient would like their medical care to progress if they become very unwell. For pupils with a CYPADM it should be with them at all times.
<b>DHT</b>	Depute Head Teacher	The role of DHT will vary from school to school but generally they will stand in for the headteacher as necessary and will have responsibility for leadership and management of colleagues.
<b>DO</b>	Development officer	Development Officers are appointed, often on a temporary basis, to undertake specific development work at school or authority level.
<b>D of E</b>	Duke of Edinburgh Award	A youth awards programme founded in the UK in 1956 by Prince Philip, Duke of Edinburgh, that has since expanded to 144 nations. The award recognises wider achievement
<b>EAL</b>	English as an Additional Language	<p>A learner of English as an Additional Language is a pupil whose <b>first language*</b> is other than English.</p> <p>This includes children and young people:</p> <ul style="list-style-type: none"> <li>- who arrive in Scotland from another country during their schooling</li> <li>- who have always lived in Scotland / UK and use a language other than English at home</li> </ul>

		<p>* The first language is the language the child was initially exposed to in childhood and continues to be the language used at home and in the community.</p>
<b>EE</b>	Enhanced enrolment	<p>Enrolment meeting with a new arrival whose first language is not English and their and parents-carers (supported by an interpreter, if needed). This meeting enables school to gather full information about the child or young person's language skills (in all languages they speak/read/write), prior education and attainment, strengths and interests, additional support needs; and to share key information about school with the learner and family. Through effective use of information gathered at an enrolment meeting, the school can fully support the learner's transition into education in Scotland.</p>
<b>EIS</b>	Educational Institute of Scotland	<p>The largest teaching union in Scotland</p>
<b>ELC</b>	Early Learning and Childcare	<p>This term is meant to emphasise that care and education of very young children are not two separate things as babies and young children are learning all the time. ELC settings include family centres, nursery schools, nursery classes attached to primary schools and childminders. These places may be run by local authorities, private businesses, voluntary sector organisations and self-employed individuals.</p>
<b>EP</b>	Educational Psychologist	<p>Educational psychologists support schools and the local authority to improve all children's experiences of learning. They use their training in psychology and knowledge of child development to assess difficulties children may be having with their learning.</p>
<b>ERG</b>	Education Resource Group	<p>A City of Edinburgh Council group that considers which specialist provisions to place pupils in.</p>
<b>ESOL</b>	English for Speakers of Other Languages	<p>ESOL is studied by those whose first language is not English.</p> <p>SQA ESOL qualifications for young people (S3-S6) are delivered through the Schools College Partnership and by some secondary schools.</p> <p>ESOL courses and classes for adults are delivered by different providers, e.g. local authorities, colleges, third sector organisations.</p>

<b>EYO/EYP</b>	Early Years Officer/ Early Years Practitioner	EYOs and EYPs make up most of the staff who work in nurseries and pre-school settings in Scotland.
<b>FE</b>	Further Education	This is post-compulsory education which is different from that offered in universities. It is mainly taught in colleges as well as work-based learning or in adult and community learning.
<b>FEF</b>	Finance for Equity Funding	Funding for schools to address the poverty related attainment gap.
<b>FLO</b>	Family Learning Officer	This person may develop and run courses and activities for families so they can help or support their child's learning.
<b>FSM</b>	Free School Meals	
<b>FTE</b>	Full-time Equivalent	This is a way to measure how much time a member of school staff works in school. For example, FTE 1.0 means the person works full time, FTE 0.5 means the person is half-time.
<b>GIRFEC</b>	Getting it Right for Every Child	<p>A Scottish Government policy which aims to make sure all Scotland's children, young people and their families have support across public services such as health, education and social work.</p> <p>The GIRFEC approach supports children and young people so that they can grow up feeling loved, safe and respected and can realise their full potential.</p>
<b>GRT</b>	Gypsy Roma Traveller	<p>The term Gypsy, Roma and Traveller is used to describe a range of ethnic groups or people with nomadic ways of life, including:</p> <ul style="list-style-type: none"> <li>• Gypsy Travellers (English, Welsh, Scottish, Irish Romany people)</li> <li>• Roma (more recent migrants in the UK from Central and Eastern Europe)</li> </ul> <p>The term Traveller can also refer to groups that travel (e.g. New Travellers, Boaters, Bargees and Show people) however these are not ethnic groups.</p>
<b>GTCS</b>	General Teaching Council for Scotland	The professional body that maintains the register of teachers and ensures teachers' professional standards. In Scotland children must be taught by qualified and GTCS registered teachers.

<b>GUS</b>	Growing Up in Scotland	Growing Up in Scotland is a long-term study tracking the lives of thousands of children and their families from the early years through childhood and beyond. The main aim of the study is to provide new information to support policymaking in Scotland but it is also intended to provide a resource for practitioners, academics, the voluntary sector and parents.
<b>HE</b>	Higher Education	This is post-compulsory education which usually takes place in universities.
<b>HESS</b>	Health Education Support Service	1:1 support service to meet the complex care needs of pupils that meet specific health care criteria.
<b>HGIOS 4</b>	How Good Is Our School (version 4)	A self-evaluation tool kit for schools.
<b>HNC/ HND</b>	Higher National Certificate/ Higher National Diploma	Higher National Certificate (HNC) and Higher National Diploma (HND) are advanced qualifications equivalent to the first two years of study at university. They are offered by colleges, some universities and many training centres. HNCs take 1 year to complete and HNDs take 2 years.
<b>HT</b>	Head Teacher	Also known as a rector, the headteacher is the leader and manager of a school.
<b>ICT</b>	Information and Communications Technology	ICT in education can be found in the following ways: <ul style="list-style-type: none"> <li>- as a subject, e.g. computer studies</li> <li>- as a tool to support teaching and learning, e.g. the use of whiteboards.</li> <li>- as an administrative tool.</li> </ul>
<b>IEP</b>	Individual Education Plan	An IEP is a document which sets out the goals and achievements of each school pupil. Every child should have an IEP and should also have an input to its content. It should be reviewed regularly.
<b>ITE</b>	Initial Teacher Education	This describes the courses taken by people who want to become teachers. Courses are available at universities across Scotland through a four-year undergraduate course leading to a BEd degree or a one year Post Graduate Diploma in Education (PGDE).
<b>ITS</b>	Interpretation and Translation Service	
<b>JASS</b>	Junior Award Scheme for Schools	A progressive learning programme for young people which has been designed to recognise wider achievement.
<b>LA</b>	Local Authority	There are 32 local authorities in Scotland.

<b>LAC</b>	Looked After Child	<p>Under the Children (Scotland) Act 1995, 'looked after children' are defined as those in the care of their local authority – sometimes referred to as a 'corporate parent'.</p> <p>There are many reasons children may become looked after, including:</p> <ul style="list-style-type: none"> <li>• they face abuse or neglect at home.</li> <li>• they have disabilities that require special care.</li> <li>• they are unaccompanied minors seeking asylum, or who have been illegally trafficked into the UK.</li> <li>• they have been involved in the youth justice system</li> </ul>
<b>LGBT</b>	Lesbian, Gay, Bisexual and Transgender	
<b>LNCT</b>	Local Negotiating Committee for Teachers	See SNCT. Some matters are devolved to LNCTs for local agreement. LNCTs are required to have constitutions setting out the recognition and procedures arrangements. In addition to a negotiating function LNCTs also provide a consultative mechanism.
<b>MSP</b>	Member of the Scottish Parliament	
<b>NAS/UWT</b>	National Association of Schoolmasters/ Union of Women Teachers	A teaching union.
<b>NAT 1/2/3/4/5</b>	National 1/2/3/4/5 qualification	<p>National courses have seven different levels; National 1 to 5 then Higher and Advanced Higher, but the buzz words that you will hear the most are Nat 4/5s and Highers as these are most likely to gain your child access to college and university.</p> <p>In fourth year, pupils will study for Nat 1 - 5s depending on what their attainment level in each subject is.</p> <p>In most schools a fourth-year pupil would tend to sit Nat 4 or 5s. If they decide to stay on for a fifth year, they can sit more Nat 4 or 5s and progress to Highers.</p>
<b>NIF</b>	National Improvement Framework	A Scottish Government framework focused on measuring and evaluating performance in schools. It includes parents and carers as part of the process.

<b>NPFS</b>	National Parent Forum for Scotland	Supported by the Scottish Government, NPFS provides a parental perspective for local and national policies and issues and helps support parental involvement.
<b>NQ</b>	National Qualifications	NQs are taken by young people in secondary schools, colleges and some training centres.
<b>NVQ</b>	National Vocational Qualification	Work based qualifications.
<b>OSCR</b>	Office of the Scottish Charity Regulator	OSCR decides whether to grant an organisation charitable status and to enter it on the Scottish Charity Register. They monitor charities to ensure they comply with the law.
<b>OT</b>	Occupational Therapist	Occupational Therapists can help people with practical tasks if they are: <ul style="list-style-type: none"> <li>- physically disabled.</li> <li>- recovering from an illness or operation</li> <li>- have learning disabilities.</li> <li>- Have mental health problems.</li> </ul> They can look at aspects of daily life at home or in school. They look at activities that a person finds difficult to see if there is another way to do them.
<b>PEEP</b>	Personal Emergency Evacuation Plan	A plan for a person who may need assistance, for instance, a person with impaired mobility, to evacuate a building or reach a place of safety in the event of an emergency.
<b>PEF</b>	Pupil Equity Funding	Pupil Equity Funding is money that is given to schools to help them provide the best possible opportunities for children's learning. In particular, it is there to help the school support children who experience barriers to learning and who might be falling behind or not getting the same chances in their education because their family is experiencing poverty or other financial difficulties. This money is given to schools as part of the Scottish Government's Scottish Attainment Challenge. <p>Pupil Equity Funding is designed to support children in Primary 1 to S3 who are eligible and registered for free school meals. However, Headteachers can use their judgement to support other children in their school who are affected by poverty.</p> <p>For every child that is registered, the school will receive £1,200 in addition to their normal budget.</p> <p>The Headteacher decides how the money is spent and has to demonstrate the impact the funding has had on children affected by poverty.</p>

<b>PLP</b>	Personal Learning Plan	A document/folder where a pupil can keep a record of their goals and achievements alongside examples of their work.
<b>PPP/ PFI</b>	Public Private Partnership/ Public Finance Initiative	A collaboration between a local authority and private companies, often used in the building and management of schools.
<b>PPR</b>	Pupil Progress Record	A key record relating to a child/ young person's education that follows them through education.
<b>PRD</b>	Professional Review and Development	PRD is an essential part of the GTCS's Professional Update and professional learning. It provides teachers with ongoing opportunities to reflect on their practice and personal learning through professional learning conversations supported by an annual review meeting.
<b>PSA/W</b>	Pupil Support Assistant/Worker	Supports pupils with a wide variety of tasks in school. Also called Learning Support Assistant or Classroom Assistant.
<b>PSE</b>	Personal and Social Education	PSE addresses the learning outcomes within the Health and Wellbeing indicators in Curriculum for Excellence relating to mental, emotional, social and physical wellbeing, planning for choices and change, substance misuse and relationships, sexual health and parenthood.
<b>PT</b>	Principal Teacher	In primary and special schools this is usually a classroom teacher who also takes on some managerial roles within the school. In a secondary school this is typically a head of department or guidance position.
<b>PU</b>	Professional Update	This supports teachers to develop their skills and work. Teachers are asked to keep a record of their learning throughout their careers. This is logged on their GTCS profile and signed off by their line manager every 5 years.
<b>PVG</b>	Protection of Vulnerable Groups	The Protecting Vulnerable Groups (PVG) membership scheme is managed and delivered by Disclosure Scotland. It helps ensure people who work with children and protected adults
<b>QIEO</b>	Quality Education Improvement Officer	Usually, a local authority officer who has a specific job around improving the performance of schools.
<b>RA</b>	Risk Assessment	A systematic process that involves identifying, analysing and controlling hazards and risks.
<b>RME</b>	Religious and Moral Education	

<b>RSHP</b>	Relationships, Sexual Health and Parenthood	
<b>SAC</b>	Scottish Attainment Challenge	<p>The Scottish Attainment Challenge aims to raise attainment of children and young people living in deprived areas, in order to close the attainment gap.</p> <p>It will drive forward improvements in educational outcomes to ensure that everyone is encouraged to be the best they can be.</p>
<b>SALT/SaLT/S LT</b>	Speech and Language Therapist	Speech and language therapists provide life-treatment, support and care for children and adults who have difficulties with communication, eating, drinking and swallowing.
<b>SCCYP</b>	Scottish Commissioner for Children and Young People	The Commissioner aims to promote and protect the rights of children and young people in Scotland.
<b>SCEL</b>	Scottish College for Educational Leadership	SCEL supports teaching staff by providing access to high quality leadership programmes of training.
<b>SCQF</b>	Scottish Credit and Qualifications Framework	This organisation promotes lifelong learning in Scotland. The Framework can help parents and young people to plan learning and develop routes through different types of learning.
<b>SDO</b>	Senior Development Officer	Senior Development Officers are appointed, often on a temporary basis, to undertake specific development work at school or authority level.
<b>SEIC</b>	Southeast Improvement Collaborative	A collaboration between City of Edinburgh, East Lothian, Fife, Midlothian and Scottish Borders councils to improve schools, early learning settings and other services for children and young people.
<b>SEYO</b>	Senior Early Years Officer	Work in pre-school and nurseries.
<b>SHANARRI</b>	Safe, Health, Achieving, Nurtured, Active, Respected, Responsible, Included	<p>GIRFEC wellbeing indicators which help make it easier for children and families and the people working with them to discuss how a child or young person is doing at a point in time and if there is a need for support.</p> <p>At home, in school or the wider community, every child and young person should be safe, healthy, achieving, nurtured, active, respected, responsible and included.</p>

<b>SIF</b>	Summary of Inspection Findings	This document is available on the Education Scotland website following an inspection.
<b>SIP</b>	School Improvement Plan	This document should show improvement targets for a school. This is typically now included in the SQIP.
<b>SLS</b>	School Leaders Scotland	A union for headteachers and depute headteachers.
<b>SLT/SMT</b>	Senior Leadership Team/ School Management Team	Usually includes the headteacher and depute head teachers; may also include the business manager and principal teachers.
<b>SNAG</b>	School Nutrition Action Group	A committee which usually includes school staff, pupils, parents and local people to promote healthy eating within the school community.
<b>SNCT</b>	Scottish Negotiating Committee for Teachers	A tripartite body comprising members from teaching organisations, Local Authorities, and the Scottish Government. The SNCT follows a negotiating framework for teachers' pay and conditions of service.
<b>SORT</b>	School Operations Risk Toolkit	A risk framework to manage all risk assessments and guidance required in association with the response to Covid-19.
<b>SQIP</b>	Standards and Quality and Improvement Plan	The purpose of the annual SQIP is to report on the main achievements over the last school year and to bring about further improvement to the learning experiences and achievements of pupils.  Improvement planning involves identifying what is good about a school, deciding how good a school can be and identifying the best way forward.
<b>SSTA</b>	Scottish Secondary Teachers Association	A teaching union.
<b>STEM</b>	Science, Technology, Engineering, Maths	The name used for this group of subjects.
<b>SVQ</b>	Scottish Vocational Qualification	These qualifications are based on standards drawn up by industry, commerce and education.

<b>TALC</b>	Team Around the Learning Community	A collaborative approach with Educational Settings and Partners to support and maximise learning, attainment and achievement
<b>UCAS</b>	University and Colleges Admissions Service	UCAS process most applications for entry to higher education throughout the UK.
<b>UNCRC</b>	United Nations Convention on the Rights of the Child	This is an international human rights treaty that grants all children and young people (aged 17 and under) a set of rights.
<b>VOICE</b>		A teaching union
<b>VSDS</b>	Volunteer Scotland - Disclosure Services	VSDS is funded by the Scottish Government to support some charities with processing disclosure checks.
<b>VSE</b>	Validated Self-Evaluation	This aims to support and challenge the work of education authorities to improve the quality of education and outcomes for learners.
<b>YAD</b>	Young Adult Disability Social Work Team	SW team that supports families of young adults with complex disabilities as they transition from children and families into adult services.
<b>YPPM</b>	Young Person Planning Meeting	See CPM

The information in this school handbook is considered to be correct at the time of publication (**October 2025**), however, it is possible that there may be some inaccuracy as the school year progresses

## Parent Feedback

Please take a few minutes to fill in and return the questionnaire on this page. Your feedback will help us improve the handbook next year.

*Tell us what you think.*

Your feedback will help us to improve our handbook.

Name of school: \_\_\_\_\_

Did you find	Please tick	
1. the handbook useful?	Yes	No
2. the information you expected.	Yes	No
3. the handbook easy to use?	Yes	No

Please tell us how we can improve the handbook next year.

Thank you for filling in the questionnaire. Your views are appreciated. Please return this questionnaire to the school office.

Throughout this handbook the term 'parent' has the meaning attributed in the Standards in Scotland's Schools Act 2000 and the Scottish Schools (Parental Involvement) Act 2006. This includes grandparents, carer or anyone else who has parental responsibility for the child.

I hope you find all of the above information helpful and self-explanatory. If you have any queries about any of the information contained in this handbook, or indeed about any aspect of our school, please do not hesitate to contact me.

David Fox
